Quadro

Low level partition system with total Day Two flexibility.

Popular configurations

Quadro can be configured to suit your needs. These example layouts show popular arrangements.

Panel finishes

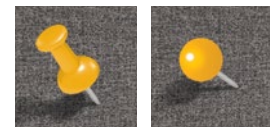

Fabric MFC High pressure laminate

Back painted glass Magnetic back painted glass Toughened safety glass

Veneer Dry wipe Magnetic dry wipe

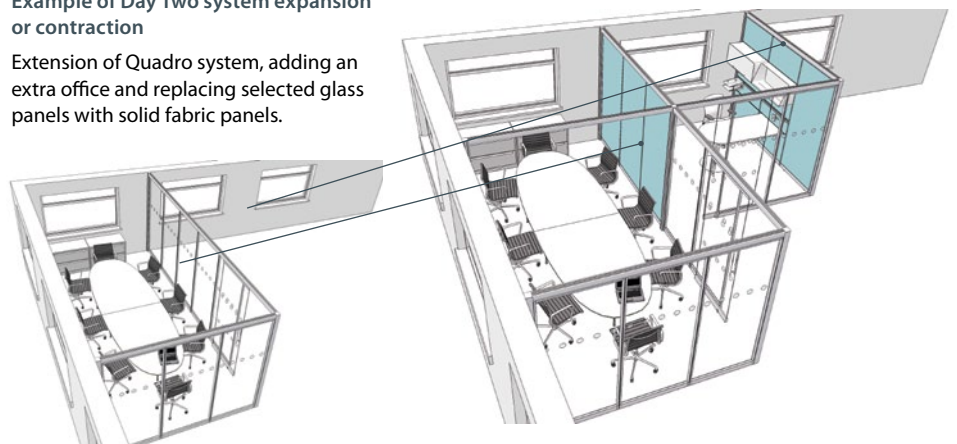

Pinnable option Tackable as standard

Reconfiguration

High level column and beam construction allows individual walls to be removed without dismantling the whole structure. Quadro's modular construction also enables easy expansion and panel relocation.

Example of Day Two system expansion or contraction

Extension of Quadro system, adding an extra office and replacing selected glass panels with solid fabric panels.

Framework finishes

Powder coated to any RAL colour.

Fire rating

Class 0, BS 476 part 7.
